

How will you  
prepare for the  
exam the night  
before?

How you spend  
your time three  
hours, two hours  
and one hour  
before the  
exam?

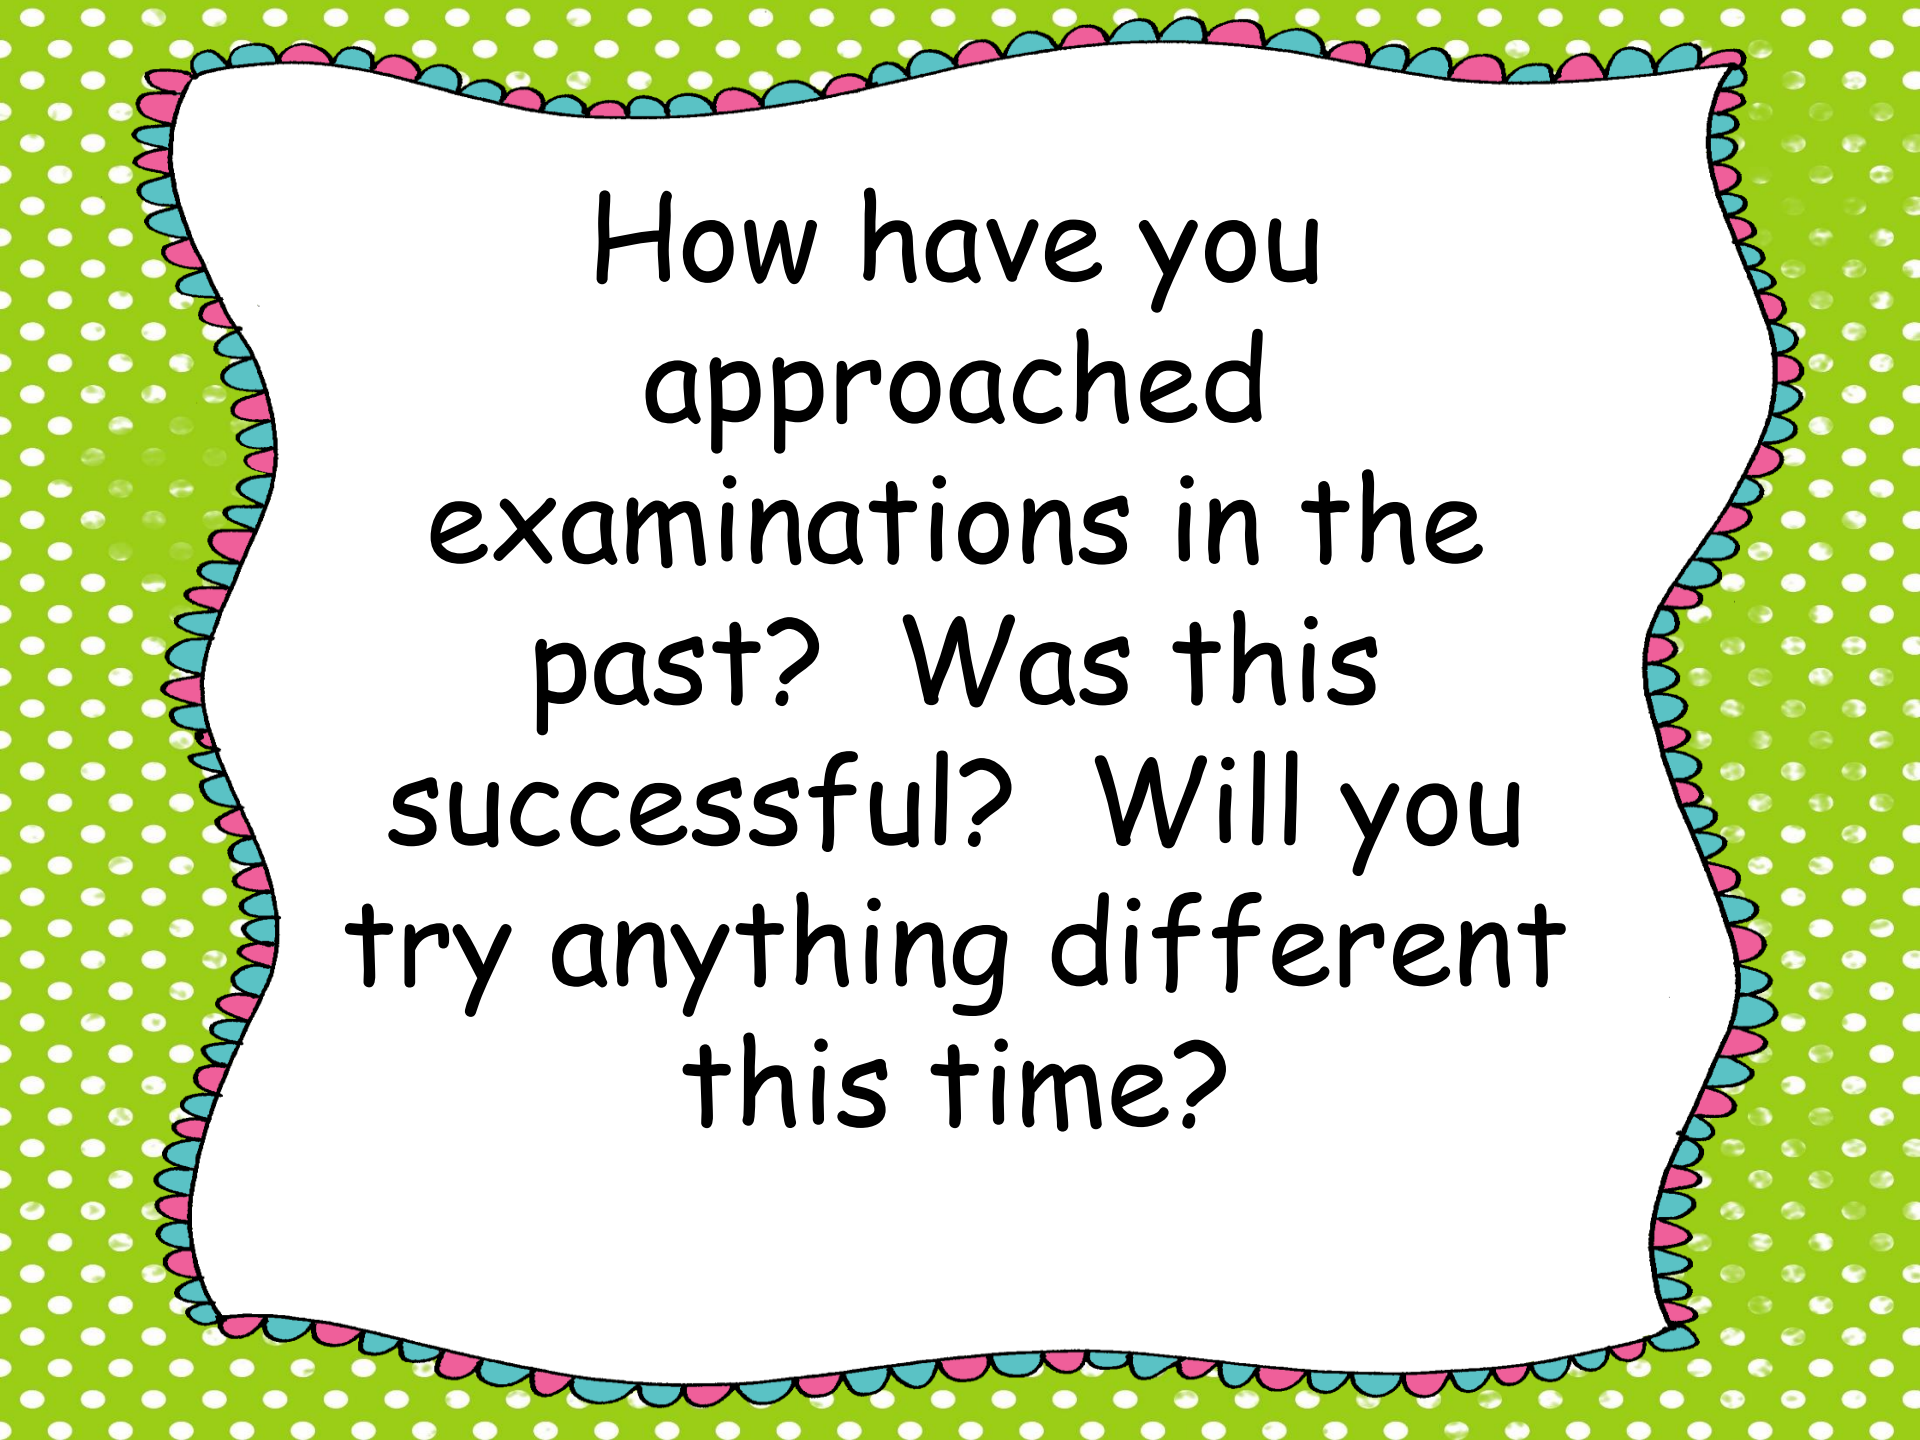

What will you eat  
and drink? Why  
do you think this  
matters?

What  
equipment will  
you bring to  
the  
examination?

How have you  
approached  
examinations in the  
past? Was this  
successful? Will you  
try anything different  
this time?
